

PERFORM NORTH

Industry-level training across the North.

SPECIALIST TRAINING. YOUR WAY.

Perform North's Weekly Training Programme offers specialist classes in acting, musical theatre, vocal performance and dance across multiple Northern locations.

Designed for performers of all experience levels, students can train in individual disciplines, combine classes to create their own pathway or access unlimited training through our Class Pass.

Whether pursuing professional opportunities, building confidence or developing new skills, every class is delivered with the same commitment to excellence, progression and individual development.

OUR APPROACH

At Perform North, we believe young performers deserve access to high-quality training delivered by experienced educators and industry professionals.

Our classes are designed to develop strong technical foundations, encourage creativity and build confidence in a supportive and ambitious environment.

Whether students attend a single class each week or train across multiple disciplines, they benefit from structured teaching, clear progression and individual development.

We look forward to welcoming you to Perform North
